—finds a strong, dependable ally in this bank.

Its seasoned experience and ample resources are available to meet the legitimate needs of its customers.

The First National Bank of Corsicana

"The Old Reliable Since 1873"

FORTY YEARS IN CORSICANA

Because we are human there have been mistakes during those forty years—Because we are conscientiously human we have tried to use lessons learned from mistakes in improving our service.

Because we have attracted and retained the good-will of the community we are human enough to be proud of it.

YOU too will like to do business here.

Corsicana National Bank Corsicana, Texas.

YOU CAN BUY IT IN CORSICANA

I Mean NO!!

Can you convincingly say no to the many useless and foolish temptations that present themselves daily?

It is surprising how many dollars can be thrown away in this easy manner.

These same dollars placed in a bank account will prove of inestimable value to you later in life.

The FIRST STATE BANK OF CORSICANA

ALLEGED WAR-LIKE PREPARATIONS BEING MADE JUGO-SLAVIA

ITALY GREATLY INTERESTED IN ALLEGED ATTEMPTS TO FOMENT TROUBLE

By Associated Press.
Geneva, Switzerland, March 21.—Tension in the Balkans today caused a stir in League of Nations circles as the League's preparatory commission assembled to discuss preliminary plans for an international disarmament conference.

Advices from Rome the last few days have told of the mobilization of Jugo-Slav troops along the Albanian border, and while Italian newspapers have gone into details alleging warlike intentions on the part of Jugo-Slavia, nothing official has been announced by the Rome government.

The Belgrade government and the Jugo-Slav representatives in the Soviet unions have vehemently denied military preparations, except the usual defense against frontier incidents. The Jugo-Slav agency at Belgrade has referred to the reports as pure inventions, saying that Jugo-Slavia is anxious for peace.

Although the Rome newspapers said the Italian representatives in England, Germany, France and other larger European countries had presented communications making known Italy's anxiety over the situation on the Jugo-Slav-Albanian frontier, the Italian foreign office has remained silent.

The Italian newspapers charge the Jugo-Slav government with a desire to stir up revolt in Albania, pointing out that such a revolt "might be advantageous to Jugo-Slavia's interests." These papers say that England has joined with Italy in protesting to the Jugo-Slav government against the alleged belligerent intentions of Belgrade as regards Albania.

British Press Heard On Balkan Matter

By Associated Press.
London, March 21.—Balkan war clouds and chaos in China competed for space today in the British press. The Adriatic unrest is at Europe's doorstep; therefore it is more menacing and alarms are being sounded from every continental capital.

"The situation in the contested region near the mouth of the Adriatic," warns the Times, "needs careful handling."

The Daily Telegraph says: "Almost without warning, a danger to the peace of Europe has arisen in the familiar seat of trouble, the Balkan Peninsula."

The Sunday Express says an Italian memorandum to Great Britain accused the Jugo-Slav government of endeavoring to foment a counter revolution against the existing Albanian government. Italy, the paper adds, alleged that Jugo-Slav frontier authorities were aiding organization of irregular bands under Albanian leaders hostile to President Ahmed Zogu, and that these were about to invade Albania from the north and east under the direction of disguised Jugo-Slav officers.

The Westminster Gazette expresses the belief that Italy's note was a diplomatic maneuver to help Italy gain a territorial foothold in the Balkans.

Should a shot be fired in Albania, the Gazette adds, Italy by virtue of the treaty of Tirana, "would land an army in Albania, ostensibly for the protection of that country, but in reality to obtain a foothold there."

Italian Warships Arrive.

By Associated Press.
Belgrade, Jugo-Slavia, March 21.—The newspaper, Korner, publishes a report from Tirana, Albania, saying four additional Italian warships have arrived at Durazzo, Albania, and unloaded munitions. It also asserts that plans for military operations are being prepared by Italian staff officers.

MUCH INTEREST IS MANIFESTED IN WELL JUST WEST OF MEXIA

Special to the Sun.
Mexia, Texas, March 21.—With cement set, drilling the plug started at the Green et al. well east of the fault line and east of the city of Mexia about 2 1/2 miles Saturday. The well was expected to be bailed out Sunday.

Considerable interest is manifested in the test due to the showing, although the well is several miles from production in wildcat territory. Gas pressure has been encountered and an oil sand found. The result of the test will have an important bearing on east side drilling.

A DeLaval Separator will increase your butter production—why continue to give it to the hogs. BEN ROSENBERG & SON.

"Corsicana Has It."

AMERICAN MARINES LANDED AS ARMIES OF SOUTH ENTER CITY

JAPANESE ALSO LAND FORCE TO JOIN OTHER FOREIGN FORCES THERE

By Associated Press.
Shanghai, March 21.—(11 p. m.)—Up to this hour the forces defending the foreign settlements from the rioting Chinese had suffered 12 casualties to midnight, two were killed and ten wounded.

Two Punjabi soldiers of the British force were killed by snipers. The wounded comprised five Punjabis, a Russian policeman and four British soldiers.

Savage guerrilla fighting was going on in the native district to night between Northerners including white Russians and plain clothes men of the Contonese.

Several of the latter were reported killed. The fighting was accompanied by the outbreak of serious fires at three points in the native city.

One hundred white Russians were admitted to the foreign settlement after being disarmed, while thousands of Chinese from the native city sought refuge inside the foreign barricades.

Bullets continued to fall inside the settlements, endangering the lives of the foreigners. The Astor House was struck.

Naval forces from the British cruisers Hawkins and Carlisle were landed at Pootung, across the Whangpoo river from Shanghai to protect British owned property.

Chaos Reigns in City of Shanghai

By Associated Press.
Shanghai, March 21.—Chaos reigned in Shanghai tonight after the fall of the city to the Cantonese this morning.

Rioters ran loose in the native quarter all day and tonight a band of Chinese troops, presumably attached to the retreating Northern army, broke through the barrier to the north of the international settlement and began looting.

A British armored car rushed up in response to a police call for aid. The car was subjected to continuous machine gun fire. Lieutenant Newman, Corporal Amble and two soldiers were wounded.

The foreign defenders ashore here total 15,000 men, part of whom are holding the 20 mile exterior defense line while others strongly patrol the streets of the foreign settlement.

The 1,500 American marines are patrolling the northern and western mill districts, where trouble is most likely to break out owing to the general strike and the gathering of crowds and looters.

The foreign defenders suffered their first casualties when a British Punjabi trooper was killed and two were wounded by gunmen firing from an alley way at the border or the international settlement. Two foreign policemen were injured by bricks thrown from the top of a building on the Nanking road.

General Strike is Called For Labor

By Associated Press.
Shanghai, March 21.—Shanghai was virtually in control of the Chinese Nationalists forces today, the Southern forces having entered the native city this morning. When disorders developed near the borders of the international settlement, soon after the Nationalists arrived, 1,500 United States marines were landed, while the Japanese landed 900 marines.

Immediately a general strike was ordered to celebrate the coming of the Southern forces. When it went into effect at noon, there was every indication there would be widespread response by all classes of workers. The strike was entirely political as a show of sympathy with the Nationalists' victory and to prove the solidarity of labor.

Marines Are Paraded.
Just previous to the nationalistic advance into the prize city, 1,200 United States marines from the transport Chaumont marched through the principal streets with full field equipment, steel helmets, fixed bayonets and machine guns. The march was not connected with the Chinese military situation. It was merely to exercise the marines who returned to the ship immediately after the parade.

General Pi Shu-Chen, Commander of the Northern forces in Shanghai, was reported to have taken refuge in the French concession. The Contonese cut the Shanghai-Nanking railway.

Naval Forces Land From All Warships

By Associated Press.
Shanghai, March 21.—Naval forces were landed in Shanghai today from all warships in the Whangpoo river off the city. The municipality declared a

state of emergency after the Nationalists entered. French outposts on the furthermost border of the French concession had a brush with a small detachment of Chinese troops this afternoon. Shots were exchanged, and the Chinese were driven off.

Guards were immediately mobilized. Three Punjabis were shot during disturbances and one of them died. All was fairly quiet on the surface in the foreign settlements today. There was no anxiety among the foreigners, thanks to the presence of troops.

A few shells fell into the French concession this afternoon. There were no casualties. The authorities do not know where the shells came from.

Landing of Marines Shanghai Explained

By Associated Press.
Washington, March 21.—Landing of American marines in Shanghai is in accordance with the policy

INTEREST CENTERS JACKSONVILLE TEST OF HUMBLE COMPANY

Interest of the oil fraternity was directed to the Humble Company's test of making more than 300 barrels a day out of a well Monday after a slump.

ported at 31.5, drilling in hard sand.

Jack Hudson went to Houston Sunday night to look after his oil interests in the section. Hudson and Bob Smith have been drilling a well about six miles from Houston and reports indicate that they may bring in a well Monday or Tuesday.

The Kent Hardy 9, near the center of the Hardy lease was reported making more than 300 barrels a day Monday after a slump. A new string of casing was being set in the Kent-Hardy 1-B, off-setting the Magnolia-Hardy 1-B. This is expected to eliminate the trouble experienced last week of the well looking from behind the casing, and add another well to this area.

Bailing was going on at the Kent-Hardy 11, for the third day with a good showing of oil and some gas. Work has been started on tearing pit, following the taking of the 12, preparatory to making a new location. Exact location for the next well was undecided Monday.

The Texas Company's Cheney B-1 south of the Powell area is reported at 31.5, drilling in hard sand.

Read the Sun—get all the news.

CLAIMED INSULL BACKS THOMPSON IN MAYORALTY RACE

By Associated Press.
Chicago, March 18.—Samuel Insull, Chicago public utilities executive, recently cited to the Senate for contempt of its committee investigating committee, today was named indirectly by the People's Dever for Mayor committee as contributor of \$100,000 to William Hale Thompson's 1915 campaign fund and as the "man behind Thompson."

"Samuel Insull, the public utilities magnate of Chicago and surrounding territory, refused to tell the Senate investigating committee to whom he paid contributed a specific sum of \$40,000," said a statement by the committee.

"According to Thompson, this did not go to Mayor Dever. Perhaps, Thompson can tell who got this \$40,000."

"As a matter of fact, William Hale Thompson never was the real mayor of Chicago. He called himself the mayor for eight years while the man behind Thompson ran the town. He wants to be called mayor again. Then who would run the town? Who is the man behind Thompson now?"

"Here are the facts: In 1915 Thompson solemnly promised to battle for the people against the public utilities.

"He didn't tell the people that Samuel Insull had contributed \$100,000 to the Thompson campaign. Insull was then and is now the head of the gas company, the electric company and the elevated railways and the overlord of the street railways.

"Thompson didn't tell the people that he owned \$117,500 of stock in Insull's Commonwealth Edison Company."

The statement was one of the most startling developments of a three-cornered campaign of Thompson, William E. Dever, the Democratic incumbent, and Dr. John Dill Robertson, of the "People's Ownership, Smash Crime Rings" party, preliminary to the mayoralty election April 5.

MORE COMPLETE UNDERSTANDING IS NEAR WITH MEXICO

By Associated Press.
Washington, March 19.—A more complete understanding over points at issue between the United States and Mexico appeared imminent today at the return of Manuel C. Teles, the Mexican Ambassador to the capital.

Arriving from a visit to Mexico City, where he conferred with President Calles upon the controversy that has arisen between the two sister republics, the Ambassador announced one of his first acts would be a call upon Secretary Kellogg.

Pending his visit to the State Department, he declined to talk about matters slated for discussion at the conference. The Ambassador, however, now is regarded as being in a position to fully present, should he so desire, the personal views of the Mexican president and any utterances that he may make in this regard would receive close attention.

Almost simultaneously with his return last night, President Coolidge noted at the White House what was said to be a temporary cessation at least in acts of confiscation in Mexico directed against American-owned property.

It was stated that there had been no recent developments in the controversy over the Mexican oil and land laws, but whether this is in any way significant in relation to recent diplomatic relations between the two governments was not disclosed.

PRISONER BEING BROUGHT CORSICANA MADE HIS ESCAPE

By Associated Press.
Fort Worth, Texas, March 21.—Police today were searching for Fred Bright, who escaped from a hotel here last night while officers who were taking him from Amarillo to Corsicana to answer charges of automobile theft were sleeping.

A negro porter saw the man leave, but did not call the officers.

MIDDLE SECTION OF TENNESSEE IS VISITED BY STORM

By Associated Press.
Nashville, Tenn., March 19.—A rainstorm and tornado unroofed 100 homes in Hohenwald, Tenn., lightning killed a child in Mount Pleasant, Tenn., and a heavy hail storm fell in Columbia and Wartburg and swept Middle Tennessee late yesterday and last night.

Glady's Thelma Graves, 3 years old, was instantly killed at the home of her parents, Mr. and Mrs. A. A. Graves, Mount Pleasant. She was leaning against a wall when a lightning bolt flashed across it from a telephone wire, burning her hair from her head and causing instant death.

"Corsicana Has It."

EFFORT MADE TO WREST NEGRO FROM HANDS OF OFFICERS

By Associated Press.
Coffeyville, Kans., March 19.—Coffeyville awoke today with the uncanny feeling that the storming of the city jail here last night in an effort to wrest a negro prisoner from the law was but an unrealized dream in the dark.

Some National guardsmen, three injured men and a wrecked city hall, however testified to the stark reality of the night's events.

At daybreak four men were under arrest on charges of looting a hardware store, the negro sought by the mob after his arrest in connection with an attack on two high school girls, was free and county and military authorities were confident there would be no repetition of mob activity.

Officials said they did not have enough evidence to hold the negro. Neither girl could identify him as one of their three attackers.

W. D. McCrabb, sheriff of Montgomery county, announced that three negroes, answering the description given by the girls were under arrest in Humboldt, Kansas, and would be questioned today.

City officials declared their intention of starting an investigation of the mob, and friends of one of the injured men declared a damage suit would be filed against the city immediately under the Kansas mob law which holds the city responsible for mob violence. Three men constitute a mob under the law and there were virtually 2,000 men, women and children about the city hall when three attempts were made to take Curtis Smith, the negro, from the officers.

Several hundred members of the mob had forced their way to the second-story of the city hall and were being held at bay with tear bombs by the city and county officers when troops of the 114th cavalry, a local National Guard unit, appeared on the scene.

Bricks, rocks and other missiles were hurled at the officers. Smith was taken from room to room in the city hall and finally was shoved into a cupola on the building while the sheriff invited the mob to search the jail.

At 4 o'clock this morning troops A and G of 10th and Yates Center arrived to aid officers. Detachments were patrolling the main streets and the negro section today.

A feeling of tension permeated the town all day yesterday following the report of the attack on the two girls. Groups gathered on porches and discussed the affair. Yesterday afternoon bloodhounds were put on the trail of the attackers. A crowd followed the hounds and officers to a house in the negro quarter. There three negroes were found. They were Smith, Vanges Harden, 20, and his brother, Garin, 22.

Sheriff McCrabb attempted to mislead the crowd by saying he had found no one in the house. He went to the city hall, but the crowd refused to leave. The sheriff returned and took the three negroes to jail. The crowd followed. The two hardens were released about 5:30 o'clock, after questioning. Smith was held but later released.

Women and children joined the crowd at the jail where youths encouraged by older persons started stoning it. Police and sheriffs deputies were posted as all entrances and exits were closed. The authorities attempted to persuade the crowd to disperse.

When leaders of the mob were informed that the negroes were not in the jail, groups left the throng to make the negro quarter, where upwards of four thousand persons live. Several fist fights occurred between whites and blacks and sporadic firing began.

William Waddle, 17, a printers' apprentice, was struck in the legs by a charge of buck shot and received a pistol bullet through an arm. The shot was fired by negroes who came to the rescue of one of their race who had been severely beaten. R. C. Walton, 45, a foundry foreman, was injured in the rush to safety as the firing increased. A negro was shot in the leg.

As Waddell hurried through the streets to his office, many saw blood from his wounds and men rushed to hardware stores to obtain guns and ammunition. When they found the doors locked, they broke into the stores and obtained shot guns and ammunition. The appearance of the soldiers had a quelling effect on many of the mob, but others jeered.

Many windows were shattered by stray bullets. Soldiers then mounted guard over hardware stores and the whites deserted the negro quarter and returned to the jail. A fire hose strung through the city hall to aid in repulsing attacks on the jail, was cut up and carried away.

Two hardware stores were looted of arms and ammunition. The four men arrested all white, were taken by police after the looting. They were charged with the possession of stolen fire arms. They were: Harvey Miller, 19, a farmer; Lloyd Wells, 25, farmer; Dee Shores, 19, a grocery clerk; and Clifford Vineyard, 19, a garage employee.

Negroes Are Released.
Iola, Kans., March 19.—Three negroes, held at Humboldt, in connection with an assault on two girls in Coffeyville early yesterday were released today. Humboldt authorities said they were convinced the men had no connection with the deed.

IMPROVEMENTS ON CORSICANA LIBRARY BUILDING COMPLETE

Improvements and repairs on the Corsicana Public Library building, totaling \$5,000 have been completed recently under the direction of R. L. Hamilton, chairman of Building and Grounds Committee. The improvements were made possible by the bond issue voted several months ago.

One of the most attractive features of the renovated building is the addition of shrubbery all around the building, and the addition of other landscaping features. The shrubs were donated by the Civic Club, and the work was done by the Clowe Floral Company.

Other exterior improvements included the repainting of all wood and metal work, and the scrubbing of all the ornamental stonework, and repairs were made where needed.

The interior of the building has been completely refurnished. The vestibules and club rooms on the second floor have been completely refurnished and repainted. The walls of the rooms have been stipped and painted a light buff. The auditorium on the second floor was also repainted, the walls being finished in a light green, and the ceilings in cream.

In the reading and reference rooms the renovating process was continued. All of the walls and furnishings were repainted and a new color scheme was introduced. The walls have been finished in a light buff, with the ceiling painted cream color. The woodwork has been finished in a glossy black.

Several additional magazine and periodical racks have been added to the reading room to care for the increasing number of periodicals offered the reading public. The dropcases have been refurnished and refitted.

The committee in charge of the general repairs was composed of R. L. Hamilton, chairman of Building and Grounds; Messrs. Rufus Hardy, W. T. Shell, Frank King and T. A. Miller.

The committee from the Civic Club, that selected the shrubbery, was composed of Messrs. J. M. Tollos, Mortie Kerr and W. T. Shell.

The personnel of the library staff: Mrs. Mattie C. Houston, librarian; Mrs. Eugenia Story and Miss Florence Holman, assistants.

PALE & PEAKED

Texas Lady Was Advised Her Mother To Take Cardui, Which She Did With Good Results.

Hamilton, Texas.—Mrs. Gladys Poitevin, of this city, says: "At times I suffered awfully with pains across my back and through my sides. I would have to go to bed and stay two or three days at a time. My health was so poor, I was managed to keep going, but I did not enjoy myself at all."

"One day my mother remarked on how pale I looked. She said: 'You look so pale and peaked, why don't you take a bottle of Cardui?' She had taken it herself a number of times, and it had always improved her health, so she thought I had better try it."

"I got the Cardui and began taking it, and from the first dose or two I could see a change for the better. The first thing I noticed was that my appetite was improved. I began to be hungry and I enjoyed my meals. I slept better at night. My rest was so much quieter that I got the benefit from it. I kept on with the Cardui and took it for several months. The pains in my back and sides grew less until they finally quit bothering me."

Try Cardui for your case. At all drug stores. NC-170

On the eve of the closing of entries for the annual Navarro County University of Texas Inter-Scholastic League, which will be held at the State Home Saturday of this week, many schools are sending in their entries. E. L. Fletcher, principal of the State Home and director-general of the league, announced Monday afternoon.

The entries have been retarded due to the inclement weather conditions recently. Mr. Fletcher stated, but those interested are entering rapidly. The schools to participate will be announced within the next day or two.

Junior girls' indoor baseball seems to be the most popular entry. Mr. Fletcher stated, with a large number of entries in the various literary events.

The various medals and trophies to be awarded the winners will be on display in the windows of the Tripp Hardware store on Beaton street Tuesday. Some of the cups and medals have already been placed on display.

DeLaval Separator sold to responsible people on monthly payments—make the machine pay for itself.

"Corsicana Has It."

BASEBALL TRAINING CAMP TO OPEN HERE NEXT FRIDAY WITH LESLIE NUNAMAKER AS BOSS

PRESBYTERIANS TO START CAMPAIGN FOR \$15,000,000 FUND

Special to the Sun.
Waco, Texas, March 19.—Plan for a campaign to raise \$15,000,000 for Waco Presbytery as its quota in a \$15,000,000 fund being raised nationally to provide pensions for aged and disabled Presbyterian ministers, missionaries and their widows and orphans were announced today with the appointment of J. H. Orr, leading hardware merchant and house furnisher at Fort Worth, Texas, as chairman for the local campaign.

Mr. Orr was appointed by Will H. Hays, chairman of the Laymen's Committee of the General Assembly of the Presbyterian church, which is directing the national campaign. During the next few weeks intensive work of organization throughout the Presbytery will be carried on under Chairman Orr's actual solicitation of pledges will begin April 21 and end May 6.

Every Presbyterian church in the 31 towns included in this Presbytery will be organized individually for the campaign and contributions in the campaign will be payable over a period of 5 years. The quota for Waco Presbytery was set as were all quotas throughout the nation by adding 10 per cent to the total benevolences in the Presbytery for 1925. Thus each Presbytery is called on to give in the proportion it has given to causes in the past. Waco Presbytery extends north to Fort Worth and south to Temple and Lampasas, east to Kerens and Fairfield.

Simultaneous Campaign.
The local campaign will be conducted simultaneously with similar campaigns throughout fourteen states from Illinois to California. In them, about 10,000 laymen will be organized into an army of campaign workers. Some 3,500 cities and towns will be campaigned. The states to be covered in the coming campaign are Missouri, Illinois, Iowa, Wisconsin, Minnesota, Nebraska, South Dakota, Kansas, Colorado, California, Oregon, Texas, Oklahoma and Washington. Campaigns will be held simultaneously in 103 Presbyteries.

Committees already have been completed from the Atlantic Coast to Illinois and more than \$9,000,000 has been pledged. In many Eastern Presbyteries work still is going on, despite the official ending of their campaigns. Final report on the national campaign will be made to the General Assembly at San Francisco, May 28.

The pension fund will provide pensions of from \$600 to \$2,000 annually for the aged, disabled, retired servants of the church. It will solve forever a problem that has faced the church for 20 years—that of the old, worn-out minister.

The Presbyterian church paid the first pension ever paid back in 1717. Since then it has lagged far behind private corporations in the "soulless" concern and other religious denominations in the work it started.

Among the towns in this Presbytery to be campaigned are: Corsicana, Hillsboro, Koss, Mexico, Valley Mills, West Crawford, Hubbard, Kerens, Midlothian, Waco, Wortham, Fairfield, Italy, Lampasas, Teague, Walnut Springs, Ferris, Jewett, McGregor, Temple, Waxahatchie.

ELECTION FOR COUNTY SCHOOL TRUSTEES.
State of Texas.
County of Navarro.
To Whom It May Concern:
Notice is hereby given that there will be an election held on Tuesday, 2nd day of April, A. D. 1927, in each and every school district in the county, to elect members of the County School Trustees.

Notice is hereby given that there will be an election held on Tuesday, 2nd day of April, A. D. 1927, in each and every school district in the county, to elect members of the County School Trustees.

The pitchers and catchers to try for positions on the 1927 model Corsicana Officers of the Lone Star League have received orders from Manager Leslie G. Nunamaker to report for duty here Friday of this week. Intensive training will be started as soon as the battersmen get limbered up. The remainder of the club, infielders and outfielders, will report one week later, April 1.

A number of rookie catchers and pitchers will be on hand along with several veterans. Among some of the old-timers to be back will be Mike Schmidt, right-hander; Jim Andrews, right-hander; Bart Green, right-hander; "Cordwood" Edwards, catcher, and others. Green is here and is working out. He has been here one week and he and manager Nunamaker worked out last week.

Jimmy Andrews lives here and will begin strutting his stuff as soon as the camp opens. He is expected to be one of the leading hurlers of the Lone Star League. He was the star hurler of the Officers last year.

Green was with the Officers for a portion of the 1926 season but never got in shape. He won four and lost one game according to the records.

Mike Schmidt will come in from his home in Breham, He has not pitched the ball of which he was formerly capable during the last couple of years and the fans will watch his performance this Spring with interest.

Young Pollan, right-handed rookie who has made a real record as a college pitcher with the North Texas State Teachers College at Denton, has signed with the Officers and is expected to make the grade. He hails from Rice and his progress will be watched closely.

McCormick, star right-hander rookie from El Paso has also made quite a record in amateur and semi-professional circles. He is also hoped to be a strong contender for a place on the tossing staff of the Officers.

The infield composed of Manager Nunamaker at first, Aubrey Spoor at second, Wallace Dushell at short and Chester Fortner at third will stack up with any class D club in the South-west on paper. The outfield is given to guesswork. It has been estimated that the outfield will be composed of Tommie Lovelace, hard-hitter and leader of the outfield, has been sold to the Oakland club of the Pacific Coast League. In the event that he fails to make the grade, he reverts back to the Officers. It is not known whether William Etheridge will be back with the club this season. He has pranced about in the left field for three seasons and usually is the lead-off batter. "Babe" Ruth, utility man and right-fielder, has signed his contract and possibly might catch some this season.

Keep the Miles, Blue Bugs and other insects from your chickens. Carbolinum will do the work. BEN ROSENBERG & SON.

INTERSCHOLASTIC TRACK AND FIELD MEET SATURDAY

Plans are rapidly being finished for the annual track and field and literary events of the Navarro County University of Texas Inter-Scholastic League at the State Orphan's Home grounds, Saturday of this week. E. L. Fletcher, principal of the State Orphan's Home High School, is director-general of the league for this county.

Suitable trophies will be awarded the winners in the various departments. A number of the prizes are only kept one year by the winners and returned and competed for the following year. Some of the individual trophies are the permanent property of the winners and the merchants and citizens of the city contribute each year to purchase the additional trophies necessary.

A large entry has been made in all events.

SOUTHERN PACIFIC ANNOUNCES CHANGE SCHEDULE SUNDAY

The following change of schedule of the Southern Pacific Lines has been announced by C. W. Jennings, local ticket agent, effective Sunday, March 20:

South Bound.
No. 18 at 1:19 a. m. instead of 1 a. m.
No. 16 at 10:50 a. m. same as at present.
No. 20 at 11:25 p. m. instead of 11:15 p. m.
No. 38 at 12:39 a. m. instead of 11:35 p. m.

North Bound.
No. 19 at 1:50 a. m. same as at present.
No. 17 at 5:25 instead of 5:15 a. m.
No. 37 at 6:15 a. m. instead of 5:45 a. m.

STAR ROANE BASKETBALL TEAM

Thompson, Don, Roane, Dorothy, Roane, V. Davis, E. Prater, S. Bart, M. Harris, R. Kemp, F. Fortney, J. Davis.

The Roane County second team, in the Navarro County University of Texas Inter-Scholastic League, in Corsicana recently, and entered the third round of the tournament in Breckenridge last week. The team was defeated in the third round of the tournament 15 to 15 by Breckenridge. The team was defeated in the third round of the tournament 15 to 15 by Breckenridge. The team was defeated in the third round of the tournament 15 to 15 by Breckenridge.

FIFTEEN BROKEN STATE BANKS ASK FOR NEW CHARTERS

By Associated Press.
Austin, Texas, March 18.—Fifteen broken state banks have been asked to apply for new charters in the last sixty days. Charles C. Austin, banking commissioner, said today as he filed the papers for the old First State Bank of Lubbock, which will go back into operation as the Lubbock State Bank.

Austin said he believed that a "summed-up" number of bankruptcies following the report of the summary bill.

The banks were placed on their own responsibility, he said, and he believed that many more recoveries would be made, now that the summary bill is not available to liquidate the banks.

Local officials being directly responsible to the depositors will make every effort to recover as much of the deposits as possible. Instead of depending on the state, they will be forced to pay out of their own pockets.

Keep the Miles, Blue Bugs and other insects from your chickens. Carbolinum will do the work. BEN ROSENBERG & SON.

KERENS DEFEATED ENNIS NINE 14-8 FRIDAY AFTERNOON

Ennis, Texas, March 21.—Ennis High School beat the Kerens team of the Navarro County University of Texas Inter-Scholastic League, 14 to 8, Friday afternoon.

Ennis scored for Ennis: Hoot, J. Morris, P. Morris and Alvin Strong. Kerens scored for Kerens: Hoot, J. Morris, P. Morris and Alvin Strong.

In Loving Remembrance of Mrs. Susie Allen Elliott.
It was in the midst of day when the Death Angel visited the home of Mr. Elliott and took from him an darling wife.

There is no dead angel form. We have the earth with us. We have the sun, the moon and the stars. We have the love that binds us together.

And then we call them dead. And we think of them as dead. And we think of them as dead. And we think of them as dead.

And then we call them dead. And we think of them as dead. And we think of them as dead. And we think of them as dead.

NAVARRO COUNTY'S ROADS AGAIN PLACED IN GOOD CONDITION

Navarro county highways have been rapidly placed in shape with the exception of short, rough stretches in the Rheinland bottoms and near Barry, according to the Chamber of Commerce highway department.

E. C. Davis, county foreman of maintenance, said that two committees have been sent to the highways to report on the condition of the roads.

For the first time in many weeks, the highways are in good shape. The highways are in good shape. The highways are in good shape.

Keep the Miles, Blue Bugs and other insects from your chickens. Carbolinum will do the work. BEN ROSENBERG & SON.

IN MEMORY OF

On Feb. 19, 1927, at 10:15 a. m. died Mrs. Susie Allen Elliott, nee Davis, wife of Mr. Elliott, daughter of Mr. and Mrs. W. B. Bennett, and born in Ennis, Texas. She was 44 years of age.

Group up how you will, and give her a good send-off. Give her a good send-off. Give her a good send-off.

And then we call them dead. And we think of them as dead. And we think of them as dead. And we think of them as dead.

And then we call them dead. And we think of them as dead. And we think of them as dead. And we think of them as dead.

And then we call them dead. And we think of them as dead. And we think of them as dead. And we think of them as dead.

And then we call them dead. And we think of them as dead. And we think of them as dead. And we think of them as dead.

And then we call them dead. And we think of them as dead. And we think of them as dead. And we think of them as dead.

PETTY'S CHAPEL WON VS. NAVARRO FRIDAY AFTERNOON

The Petty's Chapel basketball team defeated the Navarro girls team at Navarro by a score of 15 to 10. The game was played in the Petty's Chapel gymnasium.

The Petty's Chapel team was coached by Mr. Petty. The Navarro team was coached by Mr. Petty.

Following is the lineup: Petty's Chapel: Forwards, Alice Wilson and Ethel Mae McNeal; Centers, Mrs. Mac Nolen and Irene Adams; Guards, Annie Brittain and Annie Brittain.

Navarro: Forwards, Laura Horne and Jean Middlebrook; Centers, Frances Neri and Ceola Gentry; Guards, L. B. Tull and Elizabeth Horne.

Come to His Reward.
On February 22, 1927, Mr. W. J. Petty, died at his home in Ennis, Texas. He was 44 years of age.

Group up how you will, and give her a good send-off. Give her a good send-off. Give her a good send-off.

And then we call them dead. And we think of them as dead. And we think of them as dead. And we think of them as dead.

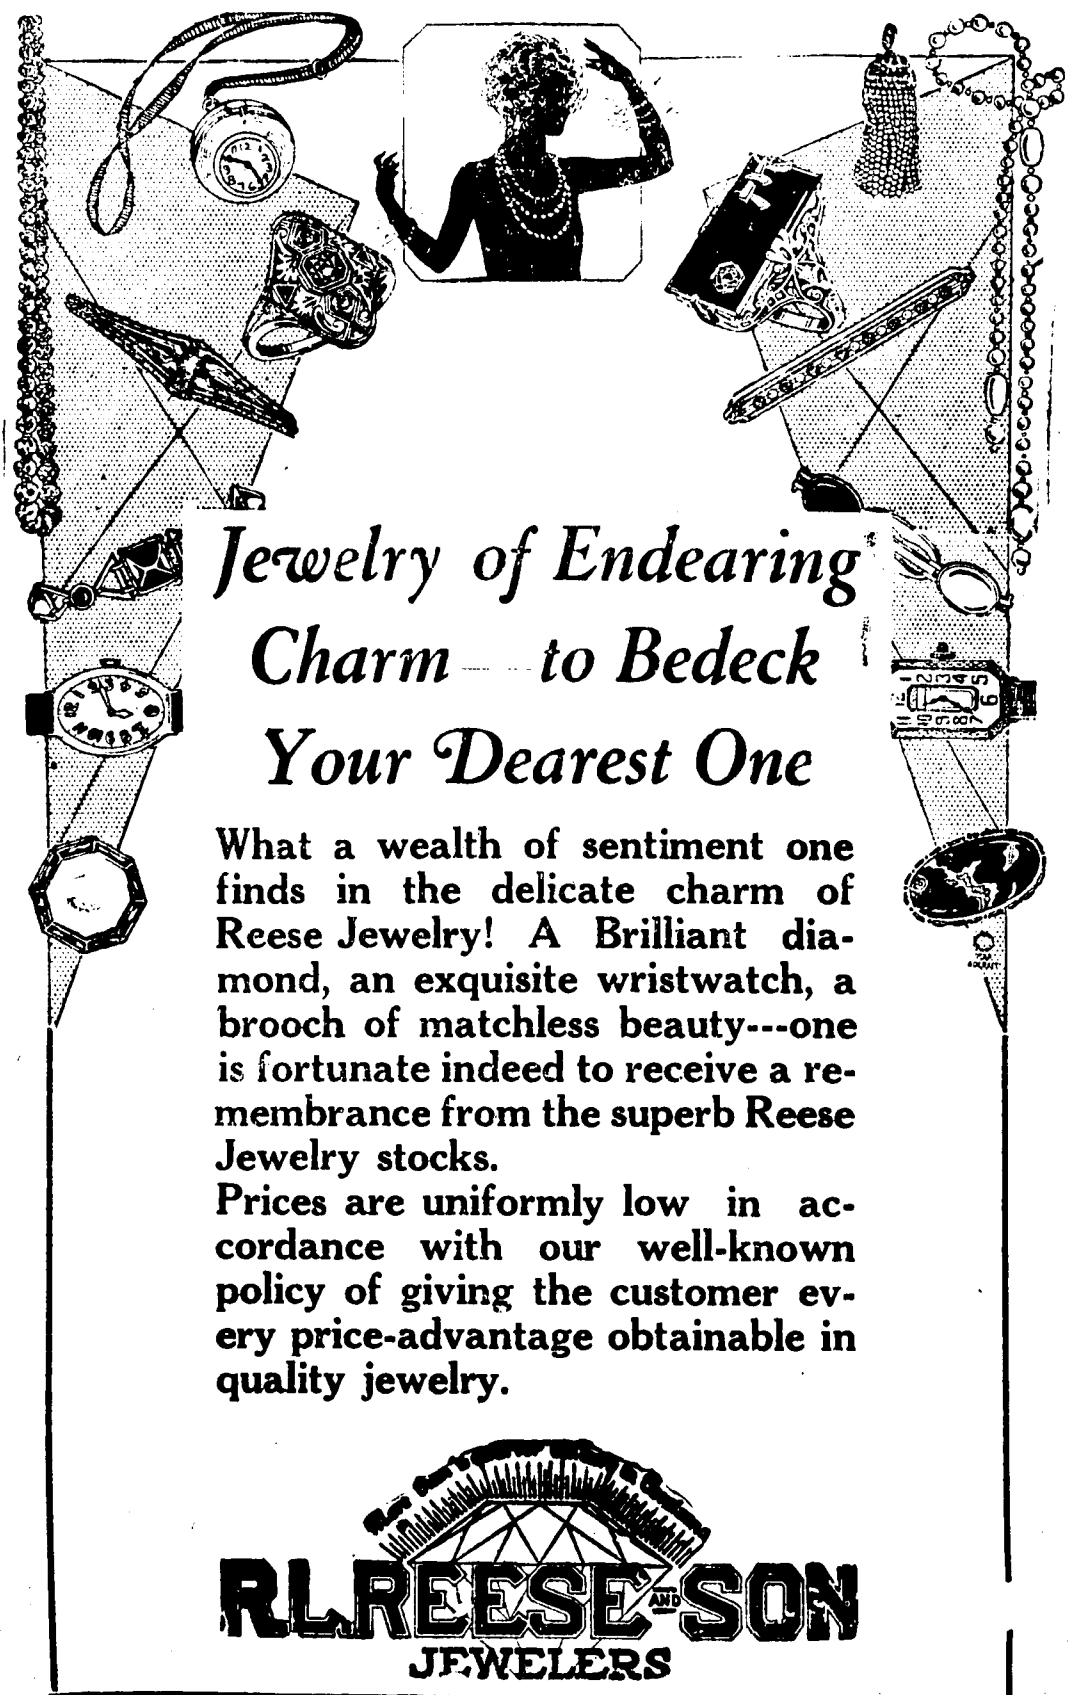

And then we call them dead. And we think of them as dead. And we think of them as dead. And we think of them as dead.

And then we call them dead. And we think of them as dead. And we think of them as dead. And we think of them as dead.

And then we call them dead. And we think of them as dead. And we think of them as dead. And we think of them as dead.

And then we call them dead. And we think of them as dead. And we think of them as dead. And we think of them as dead.

And then we call them dead. And we think of them as dead. And we think of them as dead. And we think of them as dead.

CORSICANA COCA COLA BOTTLING PLANT SOLD MONDAY FOR \$140,000

SALE INCLUDED FRANCHISE, PLANT, EQUIPMENT AND GOOD WILL

Announcement was made Monday of the sale of the Corsicana Coca Cola Bottling Company owned by J. A. Echols and J. B. Miller. The purchase price was announced at \$140,000, which is said to be the highest price ever paid in the state for a plant of this nature.

The group purchasing the plant were W. J. Brown of Tulsa, Okla.; S. P. Woodson, F. W. Moon, T. U. Cole and S. E. Brown all of Sherman. Mr. Moon will be the local manager and will bring his family to Corsicana at an early date.

In the purchase is included the Coca Cola franchise for Navarro and Freestone counties and part of Henderson. This includes the Corsicana plant, sub-plant at Teague, all equipment and the good will of the company.

Mr. Echols stated the reason for selling was on account of ill health of himself and his wife. His future plans have not yet been decided and he will remain in Corsicana for at least two months yet. Mr. Miller will also remain in Corsicana for the time being.

Messrs. Echols and Miller took over the Coca Cola plant in 1920, and during their stay here have made many friends who will genuinely regret their departure. Under their management the plant has grown and prospered until it was one of the largest and best equipped in the state. Both expressed appreciation for the liberal patronage accorded them during their ownership of the plant and expressed regret at severing their business connection in Corsicana.

The new owners of the plant are all experienced Coca Cola men and the operation of the business will continue along the same lines as heretofore.

SUIT AGAINST TEXAS FOOD PACKERS HAS BEEN CALLED OFF

ATTORNEY GENERAL POLLARD STATED THAT NO LAW HAD BEEN VIOLATED

By Associated Press. Austin, Texas, March 21.—Suit against the Texas Food Packers of San Antonio for forfeiture of its charter has been dismissed because investigation showed there was no violation of the law in the formation of the corporation. Attorney General Claude Pollard announced today.

The action was filed in Travis county District Court some time ago, the State asking forfeiture of the organization's charter on the allegation that it was fraudulently incorporated.

Shortly afterward, officials of the Texas Food Packers filed suit against the East Texas Chamber of Commerce for about \$1,000,000 charging libel.

"A careful investigation," Pollard said, "has convinced us that the best interests of the state would not be served by the future prosecution of this suit. It has been demonstrated to our entire satisfaction that no stock of this corporation has been sold, and, accordingly, that there has been no violation of the law."

"We are satisfied that the incorporators of the organization are bonified producers of agricultural products as required by the statutes, and hence, we have determined to dismiss the suit, in as much as we have no desire to hamper, but rather to encourage, the co-operative marketing law," Pollard concluded.

Sick and Convalescent. Miss Nannie Maddox was resting easily at the Navarro County Hospital Monday, following a minor operation Sunday.

Mrs. D. A. Turner was reacting from the anesthetic nicely Monday afternoon, following a major operation in the morning.

Miss Roxie Kent underwent a major operation Monday afternoon. Mrs. J. S. Stell was moved to her home Monday after a minor operation Saturday.

Snead Miller of Wortham has recovered sufficiently to return to his home after several days in the hospital.

Hugh Waring, son of Mr. and Mrs. E. T. Waring, underwent an operation in a Dallas hospital Monday morning. He recently underwent an operation at the Navarro county Hospital. His condition was reported serious.

CONTINUED COLD IS PREDICTED FOR STATE MONDAY NIGHT

RIISING TEMPERATURE WITH FAIR WEATHER IS NEAR, HOWEVER

By Associated Press. Dallas, Texas, March 21.—Continued cold with heavy frost and probably freezing temperature was the forecast for tonight for most of Texas. The Weather Bureau said temperatures would moderate tomorrow with fair weather in the immediate offing.

At the time of today's weather report, temperatures ranged from 16 at Amarillo to 44 at Brownsville, with 33 at Dallas.

Losses to Gardens and Fruit.

By Associated Press. Wichita Falls, Texas, March 21.—Garden and fruit crops in this section probably suffered from the freezes Saturday and Sunday nights but it is believed the loss will be partial in most cases. The temperature here dropped to 27 degrees. Sleet and snow accompanied the freeze. Skies were clear Monday morning and the temperature was rising.

Fear Loss of Fruit Crop.

By Associated Press. Oklahoma City, March 21.—Fear that the freeze Saturday and Sunday night had caused almost a complete loss of the fruit crop in Oklahoma was expressed today by Harry Cordell, President, of the State Board of Agriculture.

Reports today from all parts of the state told of the wide extent of the fruit crop damage, caused by the drop in temperatures. Cordell said.

COLD WAVE STRUCK CORSICANA; DAMAGE TO CROPS UNKNOWN

H. Gentry, county agent, stated that he could not tell Monday whether or not the fruit and other crops were damaged by the cold wave which struck here Saturday night. He said that it was too cold Monday for reaction, if there was any, to set in.

The lowest point reached by the government thermometer during the cold spell was 33 degrees above zero. The cold wave was accompanied by rain which amounted to .71 of an inch.

Farm work will be stopped several days. It is not known yet whether or not the corn which was planted last week will have to be planted over. A number of the farmers had already planted some of their corn the second time.

NAVARRO COUNTY FEELS KEENLY LOSS JUNIOR COLLEGE BILL

Austin, Texas, March 21.—On reading in The Dallas News that Senate bill No. 20 providing for the creation of junior college, had been lost? Representative Ernest Cox of Corsicana hurried to Austin and Saturday made a search of the legislative records. It was a great disappointment to him to find that the bill was finally passed by both houses and then lost in the shuffle. It is rightfully entitled to be a law of this State.

"We have an ideal situation at Corsicana for a junior college and were awaiting the passage of this act to put such a college in existence. We have rich oil men, some of them willing to give from \$50,000 to \$50,000 to found a junior college, once legal authority for its establishment could be obtained, and the loss of this bill was a severe blow. We had held two or three county-wide meetings arranging for its establishment."

"We have two orphanages at Corsicana with 1,000 students, a high school with 750 pupils and high schools in several towns in the county all of which would contribute a large quota to a junior college."

Brown Makes Statement.
Representative H. T. Brown of Jacksonville, chairman of the House Education Committee, also was in Austin Saturday, and naming himself as "sponsor of the bill in the House," gave out a signed statement of his connection with the measure.

It appears that Senate bill No. 20, the junior college bill, was lost in the final minutes of the Legislature Wednesday. Since it was sponsor of the bill in the House and since there seems to be some misunderstanding as to where the bill was lost or just what action was taken on it by each of the houses, I am giving the following information relative thereto:

"The Senate passed a bill by Senators Floyd and Pollard providing for the creation of junior colleges. The bill reached the House and the House substituted the House bill by Brown and Shaver for the Senate bill. A free conference committee was appointed and drafted a new bill embodying the main features of the House bill, but adjusting the essential differences as to valuation, high school enrollment, etc., as a prerequisite for the creation of a junior college. The Senate adopted this report two or three days before adjournment and the House adopted the report Wednesday. The House Journal shows that the desk records of the chief clerk of the House show that action of the House in adopting the free conference report was sent to the Senate and the chief clerk of the House has a recollection of sending this report to the Senate."

"I myself made the motion for the adoption of the free conference report, the motion was put before the House and the vote was taken and the report was adopted just as the House Journal shows."

"I make the above statement after personal investigation of all the records pertaining thereto in order that the correct status of this bill may be fully understood."

I. D. McAfee

DR. GEO. W. TRUETT WILL CONDUCT LOCAL BAPTIST REVIVAL

Inclement weather conditions Sunday curtailed the attendance at Sunday School of the First Baptist church about 50 per cent. At the evening service, Rev. J. Howard Williams, pastor, announced that Dr. George W. Truett, pastor of the First Baptist church of Dallas, and world-renowned minister, had been secured for a two weeks meeting here, beginning Easter Sunday, April 17. However, Dr. Truett will not arrive here until the Monday following, April 18. It was stated.

A church conference has been called for Wednesday evening to outline an adopt plan for the meeting to be conducted by Dr. Truett. A large attendance of the membership is desired.

Dr. Williams announced Monday that the scheduled Sunday School Teachers' Training School for this week has been postponed until next week.

The attendance at the Sunday School Sunday morning totaled 536 with an offering of \$391.50. The attendance the week before was 1,068.

The Class Class met in their new classroom for the first time Sunday morning. The room was constructed last week.

GIANT STILL WAS CAPTURED SATURDAY NIGHT NEAR CURRIE

One of the largest and most complete copper stills ever captured in Navarro county was secured in a raid conducted by Navarro county deputy sheriffs and officers from Wortham Saturday night, three miles south of Currie, near the Freestone county line in which a 110-gallon copper still, 22 gallons of corn whiskey and approximately 800 gallons of corn mash were confiscated.

The still and whiskey was brought to the county jail along with one man who was arrested in connection with the finding of the whiskey and still. He was lodged in the county jail. The corn mash was destroyed by the officers and the barrels broken up. The raiding party from Corsicana made the trip in the Chevrolet touring automobile, belonging to Rev. T. L. Huffstutler of Rose City. The captured whiskey and still was brought to Corsicana in the minister's car. Several days ago the automobile was stolen and was found abandoned in a mud hole in this county. It was used by the officers Saturday night. "A hot still was hauled in a minister's hot car" was the way it was termed.

The still was not in operation when the officers arrived but was still "hot." The complete arrangement of the still was perhaps the best captured in this county for years. The still was fired by four burners of gasoline under pressure. The find was housed in a dwelling and the alleged operator of it was said by the officers to have been absent from the place when they arrived and later returned with other alleged tools for the taking care of the liquor. It was stated that about half of the whiskey had been run through the still one time and the other half been through the still for the second time.

Monday morning, the accused man had not made bond. It is thought that the grand jury which reconvened Monday morning will handle the case today.

Among the officers in the raiding party were Deputy Sheriffs Rufus Pevehouse, Jess Speed and V. McMurray of Corsicana, and Officers Woodson and Scott of Wortham, Freestone county.

The raid was staged about 7 o'clock Saturday night, but it was late in the night when the officers returned to Corsicana, due to the time required to destroy the large quantity of mash.

INTEREST INCREASING IN CUT IN TAXES SINCE BIG SURPLUS ESTIMATE IS MADE

By Associated Press.

Washington, March 21.—The question of tax reduction, one touching the pocketbooks of millions of Americans, fast is looming as one of the outstanding subjects that will confront the new Congress, the Seventieth, when it convenes early next December.

Viewed in the half light that an early nine months' prospective casts, the question already shows clear marks of developing into a political issue that will have a distinct echo in the swiftly approaching 1928 presidential campaign.

The forecast by Secretary Mellon of a treasury surplus slightly in excess of \$500,000,000 for the current fiscal year and the subsequent indication by President Coolidge that he believes this would justify a reduction in revenue rates unless some unforeseen contingency should arise, have been developments closely observed by members of both House and Senate still remaining at the capital.

Democrats Are Active.

Already the Democrats, through their spokesman, Representative Oldfield of Arkansas, chairman of the minority congressional campaign committee, have taken a thrust at the Republican position on tax reduction. In a statement issued yesterday he estimated that American consumers would pay \$1,000,000,000 in living costs this year that would not have been necessary if the Democratic tax revision plan had been adopted at the last session.

This pronouncement is looked upon as the forerunner of more lengthy and vociferous utterances that are expected next November about six weeks ahead of the convening date of Congress to take up the writing of a new revenue bill.

Whatever the minority does, Republican leaders already have indicated they are going ahead with a new revenue measure. Some believe the Democrats will wait and see how far the majority party proposes to ease the tax burden and the class of tax payers to be benefited. Should the plan meet with Democratic approval there are indications that the minority will give it active support and devote their time to accusing the Republican spokesman, Representative Oldfield of Arkansas, chairman of the minority congressional campaign committee, of having delayed tax reduction until the eve of a presidential election.

MOODY TO SIGN ANTI-AMNESTY MEASURE, SAID

By Associated Press.

Austin, Texas, March 21.—Governor Dan Moody will sign the Love anti-amnesty measure, affecting former Governor James E. Ferguson, it was learned today from authoritative sources.

Doubt as to what action Moody would take has provoked close interest here since the passage of the act designed to take from Ferguson the political citizenship restored to him by act of the 39th Legislature.

He was impeached in 1917 on charges of irregularities.

KERENS WOMAN IS FOUND DEAD ON BED BY FAMILY SATURDAY

Special to the Sun.

Kerens, Texas, March 21.—Mrs. J. R. Fletcher, aged about 52 years, a native of Kerens community, was found lying on a bed in her room a short distance north of Kerens, late Saturday afternoon with a bullet wound over her right eye and a bullet in her brain. A twenty-two calibre rifle lay beside the bed. She was found when her husband and children returned from a visit to Kerens about 5 o'clock in the afternoon and had been dead only a short while when the body was found.

According to reports Mrs. Fletcher had been in ill health for some time. She is survived by her husband and eight children, all residents of Kerens. Funeral services were held Sunday afternoon, with interment in the local cemetery.

Jury in Furniture Dealers Case Fails

By Associated Press.

Chicago, March 21.—The trial of 129 furniture dealers and five firms charged with violation of the Sherman anti-trust laws ended today when Federal Judge Carpenter discharged the jury after it had failed to reach an agreement. The case went to the jury last Thursday noon.

F. H. Pearson, district deputy oil and gas commissioner, went to Jacksonville Monday to look over the oil operations in that sector.

GOVERNMENT COTTON CROP REPORT PLACES GINNINGS LOWER

By Associated Press.

Washington, March 21. The 1926 cotton crop was placed at 17,687,697 running bales, or 17,910,258 equivalent 500 pound bales, by the Census Bureau today in its final ginning report.

That quantity of cotton, exclusive of lint and counting round as half bales, included 234,041 running bales which ginner estimated would be turned out after the March canvass. The crop compares with 16,122,516 running bales or 16,163,679 equivalent 500 pound bales in the 1925 crop and with the Department of Agriculture's estimate, made last December of 18,618,000 equivalent 500 pound bales.

Uncertainty Has Prevailed.

Until the Census Bureau's final ginning report today there had been much uncertainty as to the exact quantity of the record-breaking crop which would be picked and ginned. Early reports indicated considerable low grade cotton might be left unpicked in the fields because of the low prices of cotton and the scarcity and high price of labor.

Round bales, counted as half bales, included in the statistics, totaled 656,861, compared with 351,121 in 1925 and 314,325 in 1924. The average weight of bale for the crop, counting round as half bales and excluding lint, was 506.3 pounds, compared with 499.5 in 1925 and 499.6 in 1924. The number of ginner operators at 15,519, compared with 15,182 in 1925.

Ginnings By States.

The final ginnings by States, in equivalent 500 pound bales, follows:

Alabama	1,497,197
Arizona	122,700
Arkansas	1,545,659
California	130,935
Florida	31,325
Georgia	493,661
Louisiana	828,020
Mississippi	863,352
Missouri	218,152
New Mexico	70,866
North Carolina	204,196
Oklahoma	1,759,895
South Carolina	997,131
Tennessee	450,520
Texas	5,609,201
Virginia	50,515
All other States	15,876

New York Market Jumps.

By Associated Press.
New York, March 21.—Cotton futures rallied \$2.50 to \$3.00 a bale today on publication of the Census Bureau report showing cotton ginnings of 17,687,697 bales for the crop of 1926-27 as compared with previous unofficial estimates of more than 18,000,000 bales.

REGISTRATION FOR EAST TEXAS C. OF C. MEETING AT TYLER

NUMBER OF CORSICANA CITIZENS EXPECTED TO JOIN WACO SPECIAL TRAIN

Registration blanks for those who desire to attend the East Texas Chamber of Commerce meeting at Tyler April 21-22 have been received by the local Chamber of Commerce, according to Roy Christian, secretary. The registration will be carried on through the local organization. Mr. Christian announced that the size of the Corsicana delegation was yet indefinite but a number were expected to attend from here. Waco is planning a special train and it is possible that the Corsicana delegation will join them.

The fee system is being used for the convention and the amount set at \$2.50. This fee furnished the delegate with a book of tickets which will assure him the official badge, admission to the coronation ceremonies and the pageant; participation in the big barbecue, and the East Texas parade; swimming and golf privileges; the street dance and parking privileges in the official parking grounds.

Officials of the convention are preparing to handle between 10,000 and 15,000 visitors during the two-day session.

Corsicana business men who expect to make the trip are requested to drop by the Chamber of Commerce and register as early as possible so that the Tyler officials may be notified as the size of the local delegation.

HEALTH DIRECTOR WILL BE HERE TWO DAYS THIS WEEK

Announcement was made Monday by Miss Stone, Public Health Nurse, that Miss Pansy Nichol, Child Health Director of the Texas Public Health Association, would be in Corsicana Tuesday and Wednesday, March 22 and 23.

Miss Nichol will speak to the Sam Houston Parent-Teacher Association Tuesday; and to the Health Club of the Junior High School Wednesday.

She was also reported that Miss Lytle would return to her duties March 28. She has been on leave of absence because of the illness of her mother, and her place has been efficiently filled by Miss Stone.

COUNTY HIGHWAYS REPORTED PASSABLE FOR LIGHT TRAFFIC

Roads over the county are passable for the most part, I. C. Davis, road overseer, reported Monday morning. Cars are going through to Mexico with little trouble. Kerens reported the river normal and the roads passable, although use of chains was advised.

Other reports indicated that the road to Dawson was bad in spots, but light traffic would probably go through Monday afternoon with little trouble. Reports on the Dallas highways said roads were in fair shape.

NAMES OF LEADING CITIZENS FIGURED COMMERCIAL CLUB

STORY OF SESSION OF COMMERCIAL ORGANIZATION TWENTY-ONE YEARS AGO

Well known names of Corsicana were included in a newspaper report of the annual meeting of the Corsicana Commercial Club on January 29th, 1906. This organization was the forerunner of the present Chamber of Commerce.

Report of this annual meeting held twenty-one years ago is contained in an old copy of the Daily Courier-Light, which was brought to the Chamber of Commerce Saturday. At that time A. N. Justiss was manager and F. C. Hand, editor of the publication.

Report of the meeting is as follows:

"About one hundred of Corsicana's representative citizens met at the Commercial Club rooms yesterday afternoon at four o'clock. The occasion was the regular annual meeting of the Commercial Club.

"The meeting was called to order by President James H. Woods, who read the annual report which showed the club was in a flourishing condition financially and otherwise. Mr. Woods made a verbal statement showing the magnificent work the club had done during the past year—landing the Trinity and Brazos Valley Railroad—the Carnegie Library that was to have cost \$20,000, but the club added Mr. Carnegie up to give \$5,000 more, making an elegant building costing \$25,000—and at present doing good work on interurban bonus and many other things for Corsicana.

Directors Are Selected. "The question of electing nine directors for the next twelve months was taken up and on motion of Col. P. C. Townsend, the President appointed a committee of five to select nine names for directors and report them back to the club for action. The President appointed the following: on that committee: Capt. C. H. Allen, Dr. S. W. Johnson, S. A. Pace, Col. P. C. Townsend, W. M. Beck, A. J. Waring, R. B. Caldwell, F. L. Duke and Tom Coulson. The committee's report was adopted.

"Col. A. N. Justiss offered a resolution thanking the retiring president, Mr. Woods, for his accurate and concise report of the condition of the club and the splendid work done for Corsicana by Mr. Woods and the Board of Directors the past year. The resolution was unanimously adopted by raising vote.

"Rev. R. H. H. Burnett was present and in a neat little speech, invited the members of the club to visit his oil apparatus in the Hardy-Week building.

"The meeting was a very enthusiastic one throughout. The newly elected directors met just after adjournment and elected the following officers: S. A. Pace, president; F. L. Duke, vice-president; J. B. Blade, assistant secretary; S. A. Pace, C. H. Allen, and S. W. Johnson, executive committee.

In the same issue Chris L. Knox announced his candidacy for County Attorney. Resolutions of respect published in memory of James Harvey Richardson, old Virginia chorists sold three for a nickel, and blacksmith shops and saloons were prominent in the display advertising.

HOW MAY A PERSON LEARN

—if he has or has not an error of vision? The Optometrist could give him the answer regarding his eyes. Would this information be valuable? Yes, if an error of vision exists its correction would improve the patient's health and efficiency. What is the greatest handicap that Optometrists have to overcome? The lack of knowledge on the part of the public as to the value of optometry, and perfect vision.

SAFETY MEETING OF TEXAS POWER-LIGHT COMPANY AT KERENS

Kerens, Texas, March 21.—The Texas Power & Light Company officials held their Safety meeting at the Kerens hotel Thursday evening with something like eighty members and guests present. This was their first meeting in Kerens, and those who were fortunate in turning out for this program pronounced it one of the best they have ever attended. A well arranged dinner was served the guests by Misses Gwendolyn Washburn, Lois Hurt and Alta Jones, after which a rare program was presented.

Quite a number of the officials had a part in this instructive entertainment, the last number consisting of motion pictures which were those present through the electrical field showing one of General Electric's large manufacturing plants which produces transformers from miniature to ten-ton sizes. Bert Washburn, manager of the local T. P. & L. Co.'s office was chairman of the entertainment committee, while R. F. Sikes of the Ennis office acted as toastmaster.

Make Way for Spring!

Throw Off the Old—Put On the New

Spring Time Is Here, "Gentle Annie"

MONDAY was the beginning of Springtime, when we should come out from the Winter stupor, shake off the winter ways, and start out with the alertness of the busy bees who are in waiting for blossom-time.

Yes, Springtime is here--that glorious time when everything puts on new life.

The time is here when old clothes are discarded and new ones put on, when the B. V. D's are again in demand with the chiffons that will replace the coat-suits and furs.

Springtime is ice cream and soda-water time, when the mind is turned to the auto rides to the country where delightful picnics will again be enjoyed, and you can pick pretty wild flowers and enjoy the balmy air of the open spaces.

Spring Time Has Come, "Uncle Fuller"

It's the time when the lawn mower must be greased and the garden tools gotten out, with the cob-webs brushed down to make way for a new coat of paint and such like.

It's clean-up and paint-up time when everybody should forget the past and look forward for bigger and better things.

Yes, Spring is here when the business man must come out from his Winter sleep and make plans for a big season's business.

The stores are brimming full of new Spring merchandise, and the people are enthusiastic to know about them---WHAT ARE YOU GOING TO DO ABOUT IT, MR. MERCHANT?
